

**2017 FirstEnergy Ohio REC & SREC RFP  
Questions and Answers Received**

<b>No</b>	<b>Question</b>	<b>Response</b>
<b>1</b>	What have the SRECs and RECs sold at in past RFPs?	This information is confidential and not publicly reported.
<b>2</b>	We are planning on participating in the FirstEnergy Ohio RFP for RECs and SRECs. I was just hoping to confirm that all materials are to be submitted <b>electronically</b> by 5pm ET on November 7th. There are no hard copy forms or documents that must be mailed in, correct?	Correct.
<b>3</b>	With respect to Credit & Security - We would be submitting offers that amounted to a notional value of greater than \$500,000. When would a supplier find out if they would need to post and how much that posting would be?	A supplier will find out if they need to post security upon award. Article 5 of the PSA describes the credit criteria upon which FirstEnergy Ohio Utilities will base its determination to extend an Unsecured Credit Line ("UCL"). Per Article 5.1.3 of the PSA, the amount a supplier will need to post is equal to 5% of the total notional dollar value of the Agreement. Per the RFP Schedule of Events, posting of security after contract execution is due by November 17, 2017, if applicable.
